ARMED SERVICES COMMITTEE
RANKING MEMBER

ASSISTANT REPUBLICAN WHIP

March 24th, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Groundwater Well No. 3 improvements in fiscal year 2024. The entity to receive funding for this project is The Water Works Board of the City of Auburn, located at 144 Tichenor Ave, Suite 5, Auburn, Alabama, 36830. The funding would be used for the design and construction of a new emergency backup generator system and a PFAS treatment system to treat groundwater from a well that produces 1.3 MGD to meet new regulations.

The project is an appropriate use of taxpayer funds because it improves the infrastructure of a poor and rural district. The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Mike Rogers".
